

Thanksgiving Blessing

Thanksgiving is a time to express thankfulness and appreciation to God, family, and friends. Without God's guidance and constant sustaining, we would not be able to accomplish the work God has laid before us. The faculty and staff are thankful for every one of our amazing students and their families. It is truly a blessing to serve with you! We are so grateful for what God has done and look forward to what He has for all of us in the future. Happy Thanksgiving from our family to yours!

*"Be joyful always; pray continually; give thanks in all circumstances,
for this is God's will for you in Christ Jesus."
1 Thessalonians 5:16-18*
