Middle & High School *Cultivate* Retreat Praise Report

By now, most parents already have had their kids bubble over with praise for how God worked and moved in our 7th-12th grade annual retreat up at Mo-Ranch. Our speaker, Jon Randles, did an amazing job speaking into the lives of our students. God used him in a mighty way! School families should know how respectful, well behaved, and spiritually receptive the students were during the entire time. Dozens of students made commitments to Christ and almost every student made some kind of spiritual decision. Beyond all of that, we simply had FUN! Your children are absolutely the best kids on the planet. We can't say enough about how much we love each of them. Keep praying for the work that God began to continue in their lives. *"He who began a good work in you, will complete it until the day of Christ Jesus."* *Philippians 1:6*

*Yet those
who wait for
the LORD
will gain new
strength;
They will
mount up
with wings
like eagles,
They will
run and not
get tired,
They will
walk and not
become
weary.*

Isaiah 40:31
